AUSTRALIAN BAKING SCHOLARSHIPS

Celebrating 35 years of Opportunity & Reward!

BACKGROUND

The Australian Baking Scholarships were created in 1990 as a vehicle to not only promote thought, debate, discussion & action in baking matters, but to also recognise & reward high achievers for their excellence in these areas.

The "Scholarships" this year celebrate 35 years of opportunity & we are honoured tonight to have several previous Scholarship winners join us in celebrating this occasion. There are 2 age-based categories, with this year's regional winners being...

Regional Winners - The Sydney J Packham (OAM) Baking Industry Medal

The Baking Industry Medal was added to the Scholarship Awards in 1994 to specifically cater for the 18-to-24-year age group. In 2006, it was renamed in honour of, and respect for, the founder of our ASB, Sydney (Syd) Packham. OAM. This year, there are 3 regional winners -

Eastern Region (NSW/ ACT)	~	Carla Penza (NSW)
Southern Region (VIC/ TAS)	~	Xavier McBean (VIC)
Western Region (SA/WA)	~	Rebecca Tracey (SA)

Regional Winners - The Arthur E Denison Trophy.

The original "open" scholarship category was so named in recognition of the late Arthur Denison – a baking industry legend, and described by many in the industry, as the doyen of bread judges!

This year, there are 4 regional winners. They are...

Northern Region (QLD/ NT)	~	Rodney Stanaway (QLD)
Western Region (WA/SA)	~	Glen Stoddart (WA)
Southern Region (VIC/ TAS)	~	Ruwan Colombage (VIC)
Eastern Region (NSW/ACT)	~	Angie Tjandra (NSW)
